

SITE LIABILITY INSURANCE REQUEST

YBOA Association members who have all of their players covered under one of the YBOA Player Insurance Programs are eligible to purchase site liability insurance (Additional Insured Certificates). In order to provide this coverage, we must have the name and complete address of the Additional Insured. Cost is \$25.00 per certificate.

In order for this coverage to be in effect, you must have all players registered or forward a deposit of \$100.00 until all players are registered. If we have not received player registration forms with full payment within 10 days of issuing the certificate, the additional insured will be notified that coverage is null and void.
